Reference: Letter of Recommendation

To Whom It May Concern:

It is my pleasure to recommend Deborah Leance to be considered for a teaching position at your institution. As the formal Principal at Garey High School, I interacted with Deborah extensively in her role as a Biology Teacher and the Mecha Club advisor for the campus. Due to this interaction, I feel that I have the ability to pragmatically comment on her aptitude for success and the positive impact Deborah has had with the Garey High School students.

Deborah showed exemplary professional ethics as a classroom teacher. She is a bright, energetic and patient individual filled with benevolence. As a classroom teacher, she successfully championed the focus of literacy and English learners through her use of SDAIE strategies with all of her students. Deborah has leadership qualities and is a team player. She also has the invaluable ability to build positive relationships with the youth of today. In addition, Deborah has supported our district with content development and training using online interactive platforms and learning applications.

Mr. Leance is a mature individual who has the aptitude and experiences to be a strong educational leader. She is intelligent and motivated. Deborah maintains all necessary attributes to be a strong teacher and leader in your institution. For these reasons, I am confident in my recommendation of Deborah Leance.

With Sincere Regards,

Mr. Stacey E. Wilkins
Administrative Director
Innovation and Improvement
